

World Geography Field Trip

...

Group: Batu (👉👈), Erik 🧘, Leah 🐘+🐦, and Karen

A picture of the Chicago horizon.

Who's going to win?
FIGHT, FIGHT, FIGHT!

I obviously won...

Made a new friend.
We forgot his name though.

Buffalo, bison.
SAME THING.
(ish)

The fish is so antisocial. He hides in a glass box to keep from getting touched. 🙅

**It was a little chilly.
You know, it's Chicago weather.**

**I spy Leah and Erik on a boat! And some
random people...**

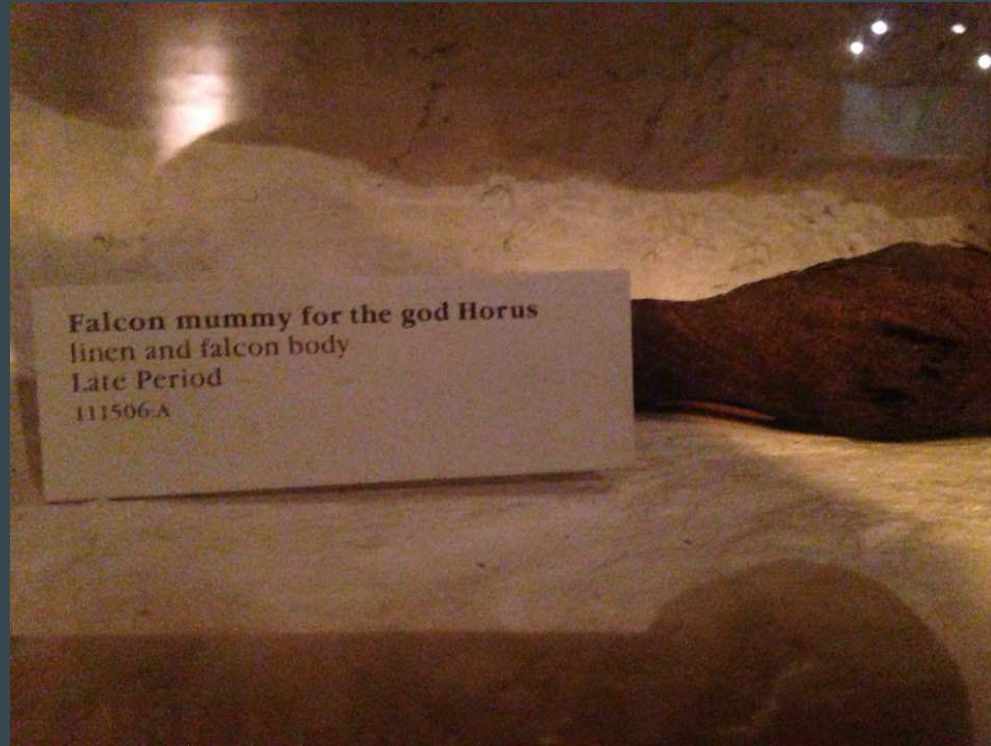

**It's a Leah in her natural habitat and
enjoying nature!**
